

Application for EPCIA Membership – Technological Research Institute

We have taken note of the documents: “*EPCIA Internal Rules*” as approved by the EPCIA General Assembly on April 29, 2020 and “*EPCIA Fee Structure*” as approved by the EPCIA General Assembly on October 23, 2019.

Our Technological Research Institute is approving the basic principles contained in those documents and will support the EPCIA and its scopes at European level.

Our Technological Research Institute accepts the special fee conditions, approved by the EPCIA General Assembly with the understanding that it will be subject to the normal fee conditions when confirming membership for the following years.
